

**PHOTO/VIDEO RELEASE**  
**Please return to your child's school**

Aloha,

Your child's school is participating in the 'ĀINA In Schools program, a Farm to School initiative aimed at connecting children to their land, waters, and food to grow a healthier Hawai'i. Program activities include garden lessons, nutrition lessons, farm field trips, farmer and chef visits, family nights and more. Other Kōkua Hawai'i Foundation programs your child's school may be participating in are 3R's School Recycling, Environmental Education Field Trips, Environmental Education Mini-Grants, Kōkua Earth Action Projects, and Plastic Free Schools. As part of the documentation and evaluation process for our programs, we will be collecting photos and video of these activities throughout the school year and request your permission to use these in our outreach materials.

Please review and sign this form and return it to your child's school. Mahalo!

To learn more about Kōkua Hawai'i Foundation and the 'ĀINA In Schools program, visit [kokuahawaiifoundation.org/aina](http://kokuahawaiifoundation.org/aina)

**PHOTO/VIDEO RELEASE FOR STUDENTS PARTICIPATING IN  
 KŌKUA HAWAI'I FOUNDATION PROGRAMS**

As parent or legal guardian of the minor student(s) named below, by signing this form, I grant permission to Kōkua Hawai'i Foundation (Foundation) to use photographs or videos of my child or his/her work in educational and outreach media published or authorized by the Foundation. I understand the term *work* can include both visual arts and written pieces. I understand the term *media* can include the Foundation's and partner organization websites, publications (newsletters, videos, presentations, marketing materials), newspaper and magazine articles, and television and film clips.
